In fact, the uniqueness of the Holocaust raises serious ethical questions whether there can be any appropriate representation of these atrocious events at all. As the horror of Auschwitz goes beyond human imagination, the problem boils down to the one question: How can you imagine the unimaginable? Martin Amis's novel *Time's Arrow* or *the Nature of the Offence* (1991) has a rather bold answer to this question: by narrating it backwards. In the novel, the story of the Nazi doctor Odilo Unverdorben is narrated vice versa, following his life from end to start through the eyes of a ghostlike narrator who emerges at the point of his death. As the technique of backward narration distinguishes *Time's Arrow* from almost any other Holocaust fiction, in the following my focus will be on the novel's use of narrative reversal to represent the Holocaust. I will argue that the technique of backward narration offers a way to make sense of the Holocaust and Nazism in general, thereby showing that the novel's form and content are inseparably linked. In order to do this, I will first go over some of the negative criticism that *Time's Arrow* was exposed to, focusing on the problem of form and content. I will...
