

Rationalizations to Live by

Filesize: 4.06 MB

Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

RATIONALIZATIONS TO LIVE BY

[DOWNLOAD](#)

Workman Publishing. Paperback. Book Condition: new. BRAND NEW, Rationalizations to Live by, Henry Beard, Andy Borowitz, John Boswell, A book for everyone who's ever cheated just a little bit at golf (I'm only moving the ball to where it should have landed) or gone to a party instead of visiting a sick friend (If I were in the hospital, I wouldn't want a bunch of people bothering me), "Rationalizations to Live By" offers dozens of perfect rationalizations for behavior that ranges from the selfish, thoughtless, and irresponsible to the boorish, self-destructive, and un-p.c. A group effort by four of the funniest people writing books today, it evokes both nervous laughter (for what we recognize in ourselves) and happy superiority (because we can't believe anyone could do that). For example: Look how long the French live. All of this shopping is good for the economy. This doesn't really count as sex. I'm earning frequent-flyer miles. Video games are good for my kid's motor skills. Picasso didn't do his best work until he was 70. He'll just spend it on liquor. I only smoke at parties. And, of course, the universal: Everybody does it.
