Reviews

Extremely helpful to all type of individuals. It really is basic but excitement inside the 50 % of the pdf. Its been designed in an remarkably basic way and is particularly only right after i finished reading through this book in which basically transformed me, change the way i believe.

State University of New York Press. Paperback. Book Condition: New. Paperback. 296 pages. Dimensions: 9.1in. x 5.9in. x 0.7in. In *Women in Myth*, Bettina L. Knapp explores the role played by women in ancient societies through analysis of specific myths from nine different lands. The author probes issues as to how figures such as Isis, Tiamat, Dido, Camilla, Deborah, Iphigenia, Salome, Sita, Amaterasu, Nu-Kwa, and others - some of whom were goddesses - fared. She discusses their abilities and their outlooks, whether their views were gender oriented or androgynous, whether they were deprived of the most basic human rights or excluded from the highest functions of religious worship. Knapp explores whether or not these women had done battle, led armies, founded states, ruled lands, or experienced identity crises. She allows the reader to establish parallels as well as dichotomies between the lives of ancient and contemporary women. The reliving of specific episodes from thousands of years ago as reported in the great myths brings insights into certain relationships and sheds light on events and their ramifications in today's home and workplace. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
