Early on the morning of 4th September 2010, a series of seismic events began to unfold in Christchurch, New Zealand. They would eventually take 185 lives and directly affect hundreds of thousands of men, women and children. This book is a compilation of stories from some of these people.

Preschoolers, teenagers, families, and retirees tell of the impact of the ongoing earthquakes and aftershocks, the emotional and physical toll they exacted, and their hope for a new Christchurch. They reflect the incredible resilience the people of Canterbury have shown throughout this devastating time.

Some of the stories are poignant, some humorous, some shocking and some sad. All of them are from the heart and deserve to be heard. Magnitude 7. 1 and 6. 3 was put together by Debbie Roome who is an award-winning novelist and freelance writer with 25 years experience. This item ships from La Vergne,TN. Paperback.
