## PRIMARY SUM-ACTION PUZZLES BOOK 2

[DOWNLOAD](#)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Primary Sum-Action Number Puzzles Book 2 is a collection of 26 addition search puzzles to be used to stimulate interest and at the same time make learning mathematics interesting and fun. The format is the same as all word search puzzles with one difference. numbers are used in place of letters. Students look for addition equations instead of words. The equations may be in the horizontal, vertical, diagonal or other variations. The table of contents indicates: (1) the equation sum, (2) the number of equations in the puzzle, (3) the search pattern and (4) the solution page. Because the teacher knows the number of equations per puzzle it is easy to let students know when the search assignment is complete. The first puzzles start with easy sums and gradually work up to much larger combinations in more difficult search patterns. The Primary Sum-Action Puzzles are excellent for various levels and can be utilized as class assignments, individual assignments, learning centers and/or home schooling. Also available is Primary Sum-Action Book 1 with 27 different addition puzzles. For more advanced student try Number Puzzles-Multiplication Book utilizing the same format but students look for multiplication equations. LET S GO.THE SEARCH IS ON!!!!!!.
