*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, Grendel's Mother: The Saga of the Wyrd-Wife, Susan Signe Morrison, An amber bead. A gold and glass drinking horn. A ring engraved with Thor's hammer - all artifacts from a Germanic tribe that carved a space for itself through brutality and violence on a windswept land . Brimhild weaves peace and conveys culture to the kingdom, until the secret of her birth threatens to tear apart the fragile political stability. This is her story - the tale of Grendel's Mother. She is no monster as portrayed in the Old English epic, Beowulf. We learn her side of the story and that of her defamed child. We see the many passages of her life: the brine-baby who floated mysteriously to shore; the hall-queen presiding over the triumphant building of the golden hall Heorot and victim of sexual and political betrayal; the exiled mere-wife, who ekes out a marginal life by an uncanny bog as a healer and contends with the menacing Beowulf; and the seer, who prophesizes what will occur to her adopted people. We learn how the invasion by brutal men is not a fairy tale, but a disaster doomed to cycle relentlessly through human history. Only the surviving women can sing poignant laments, preserve a glittering culture, and provide hope for the future.
