

A Guide to Clinical Assessment and Professional Report Writing in Speech-Language Pathology

Filesize: 6.01 MB

Reviews

Comprehensive guideline for ebook fans. I have read and i am certain that i am going to going to go through yet again yet again down the road. You wont truly feel monotony at whenever you want of your own time (that's what catalogs are for concerning when you check with me).

(Keegan Abernathy)

A GUIDE TO CLINICAL ASSESSMENT AND PROFESSIONAL REPORT WRITING IN SPEECH-LANGUAGE PATHOLOGY

Delmar Cengage Learning, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: A GUIDE TO CLINICAL ASSESSMENT AND PROFESSIONAL REPORT WRITING IN SPEECH-LANGUAGE PATHOLOGY, 1E not only provides guidance for the often overwhelming process of assessing speech and language disorders but also offers robust diagnostic report writing tools in one user-friendly resource. Organized by disorder, this book is the only one to provide a sample report for each of the major communicative disorders discussed. It also includes a chapter devoted to basic report writing skills and grammar. The assessment aspects of the book offer an in-depth chapter on counseling, a detailed and comprehensive chapter on dysphasia for both pediatric and adult populations, and a clear and practical chapter on assessment of accent. Each chapter is written by experts in their area of communication disorders and provides the following information: background and characteristics of the disorder; parameters for assessment; pertinent interview questions; an inventory and explanation of relevant formal and informal assessment measures in narrative and table format; a section on differential diagnosis to assist in teasing out the specific problem; and a sample case history with assessment tools chosen for that vignette along with rationale for making such selections. All this information is woven into a sample diagnostic report and a similar assignment is provided for practice, making this an ideal resource for ESL learners as well as students preparing for the praxis. Every chapter includes a list of key vocabulary and a glossary to familiarize your students with the professional vernacular relevant for writing diagnostic reports.
