CHRONOLOGY OF EDUCATION IN THE UNITED STATES

McFarland & Co Inc. Paperback. Book Condition: new. BRAND NEW, Chronology of Education in the United States, Russell O. Wright, For many centuries, education was only available to the relatively elite classes of society (and then only to the males of that class). When settlers arrived in America in the early 1600s, it was generally agreed upon that education should be offered to nearly everyone - though questions still lingered. The extent to which education should be made available to...

Reviews

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
