Pearson Education (US). Paperback. Book Condition: new. BRAND NEW, Visual Storytelling with D3: An Introduction to Data Visualization in JavaScript, Ritchie S. King, Master D3, Today's Most Powerful Tool for Visualizing Data on the Web Data-driven graphics are everywhere these days, from websites and mobile apps to interactive journalism and high-end presentations. Using D3, you can create graphics that are visually stunning and powerfully effective. Visual Storytelling with D3 is a hands-on, full-color tutorial that teaches you to design charts and data visualizations to tell your story quickly and intuitively, and that shows you how to wield the powerful D3 JavaScript library. Drawing on his extensive experience as a professional graphic artist, writer, and programmer, Ritchie S. King walks you through a complete sample project-from conception through data selection and design. Step by step, you'll build your skills, mastering increasingly sophisticated graphical forms and techniques. If you know a little HTML and CSS, you have all the technical background you'll need to master D3. This tutorial is for web designers creating graphics-driven sites, services, tools, or dashboards; online journalists who want to visualize their content; researchers seeking to communicate their results more intuitively; marketers aiming to deepen their connections with customers; and for any data visualization enthusiast. Coverage includes * Identifying a data-driven story and telling it visually* Creating and manipulating beautiful graphical elements with SVG* Shaping web pages with D3* Structuring data so D3 can easily visualize it* Using D3's data joins to connect your data to the graphical elements on a web page* Sizing and scaling charts, and adding axes to them* Loading and filtering data from external standalone datasets* Animating your charts with D3's transitions* Adding interactivity to visualizations, including a play button that cycles through different views of your data* Finding D3 resources and getting involved...
