This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2003 in the subject English Language and Literature Studies - Culture and Applied Geography, grade: 1,3, Technical University of Braunschweig, 5 entries in the bibliography, language: English, abstract: Worse than the economic impact of the Depression were its psychological effects on the people: unemployment and hunger lead to moral depression, distrust, and the downfall of traditional legal norms. Consequently, criminality became a major problem which politicians did not seem to be able to stop. It was an open secret that gangsters such as Al Capone made a lot of money by trading with alcoholic beverages during Prohibition and gained a lot of political influence by this. Chicago is commonly seen as the place where gangdom first developed. Its gangster image still clings to the city today. The most prominent events and people related to the gangs of Chicago were Al Capone and the War of Sicilian Succession which resulted in the St Valentine s Day Massacre, leaving seven gang leaders killed and Capone as the new czar of the underworld. For the public, the adventurous and fancy life of the gang world became the symbol for the new mass culture that evolved from urbanization. The stereotype of the new criminal helped to overcome the traditional social boundaries that seemed no longer apt for the urbanized society. The gangster-movie genre, along with the press reinforced the gangster myth. SCARFACE SHAME OF THE NATION by Howard Hawks (1930/1932) fits in with this concept. However, the movie also shows the influence the press takes in the creation of the media gangster. For this reason, it gives an ambivalent picture of the gang world in the...
