

Britain at the Polls 2010 (Hardback)

Filesize: 4 MB

Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

BRITAIN AT THE POLLS 2010 (HARDBACK)

Sage Publications Ltd, United Kingdom, 2010. Hardback. Book Condition: New. 234 x 158 mm. Language: English . Brand New Book. The Britain at the Polls series always asks-and answers, often with new insights-the key questions about British general elections. And few elections in living memory pose as many big questions as that of May 2010. - Martin Kettle, The Guardian For decades Britain at the Polls has given us high quality insights into British elections. This latest edition is the most significant and intriguing of all: an excellent cast of contributors provide a vivid and accessible presentation of evidence with an engaging clarity of writing and depth of analysis. It should prove invaluable not only for academics, but students, journalists and anyone who wants to understand a unique, game-changing election. - Geoffrey Evans, Nuffield College, Oxford Britain at the Polls 2010 is an essential guide to a highly unusual election. The authors provide detailed coverage of the major developments within and between the parties, the issues that shaped the election and-perhaps most importantly-some long-term trends in public opinion that might explain New Labour s slow but steady decline since the late 1990s. Detailed, yet highly accessible, this book should be read by anyone interested in the what, when and why of this remarkable event in British politics. - Kai Arzheimer, Professor of Empirical Political Science, University of Mainz This is an outstanding collection of papers by an outstanding cast of authors. It tells the story of the remarkable election of 2010 to be sure, but it also makes general patterns in British politics much more understandable. I heartily endorse it. - Christopher Wlezien, Professor of Political Science, Temple University, Philadelphia This volume is a worthy contribution to a long-running and valuable series of post-election analyses. It provides insights which are...
