Not illustrated. 1898 Excerpt: . . . of the California poppy adorns the cover, and quotations from California poets and references to California history are freely used in the copies set. Another good feature of these books is the introduction of complete letters and notes of invitation and acceptance, showing the correct form of address in business and social correspondence. This secures practice in capitalization and punctuation. The form of the letters is particularly good, and the execution of the text all that could be desired. Whip and Spur<sup>2</sup> This little book, as unostentatious as Colonel Waring himself, is in many respects amusingly like its author. The same thoroughness, the same uncompromising love of justice, the same consideration for those who try to do their duty, is plainly evident in this book of delightfully told stories. His understanding of horses and his love for them give lessons that many will profit by. He tells...
