Createspace, United States, 2011. Paperback. Book Condition: New. 203 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.Twisted Christians is a story of spiritual warfare. It exposes the realm of the spirit world, where demons manipulate the minds of nonbelievers and Christians alike. It is a story that relates to biblical prophecies as well as paranormal activity and the world of the occult. Sam Johnson's prayer for guidance not only introduces him to the world of spiritual warfare, but it also changes the course of events throughout the Northern Virginia area. Paul Taylor is a Messianic Jew who befriends Sam. Paul's views on the Bible help Sam to make more sense of the Holy Scriptures, which seem to conflict with the teachings of his church. As with any person who diligently researches the Holy Scriptures, Sam finds himself struggling to separate the spirit from the flesh. Brian Stultz is a computer hacker who is known throughout the computer underground as Cybermancer. His recent challenge by his colleague, Dark Impress, is to crack the uncrackable 2,048-bit encryption chip created by Vodoun Technologies. What he discovers within the microchip is that the first 16 bits of binary code within the PROM area contains the...
