

Descriptive Sketches: Illustrating Mr. William Simpson s Drawings of the Seat of War in the East First Series (Classic Reprint)

Filesize: 1.33 MB

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Ally Reichel)

DESCRIPTIVE SKETCHES: ILLUSTRATING MR. WILLIAM SIMPSON S DRAWINGS OF THE SEAT OF WAR IN THE EAST FIRST SERIES (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Descriptive Sketches: Illustrating Mr. William Simpson s Drawings of the Seat of War in the East First Series In offering to the Public the following pages, designed to illustrate Mr. Simpson s series of drawings of the Seat of War in the East, the Author is fully conscious how far his humble efforts fall short of what is due to the merits of these admirable productions, and to the genius of the accomplished artist. He is no less sensible that the slight historic sketch of the principal events of the War, from its commencement up to the middle of last winter, which forms the earlier portion of the Work, is but a too inadequate tribute to the bravery, the endurance, and the self-devotion of the noblest and most glorious army which ever poured forth its blood in defence of the liberties and of the honour of England. But, whatever may be his short-comings in these and other respects, he will feel that he has not written quite in vain if he shall have succeeded in throwing one additional ray of light on the spirit-stirring and pathetic story, every detail of which has an absorbing interest for millions of his fellow-countrymen, and in cancelling one fraction of the vast debt of gratitude which England owes to the most chivalrous and heroic of her sons. A portion of these pages was already in the press when the long-desired intelligence of the fall of Sebastopol gladdened the public heart; allusions therefore occur in them which that great event has robbed, in a measure, of their appropriateness; but it has not been thought necessary to alter or erase them...
