FOR THE LOVE OF ALL CREATURES: THE STORY OF GRACE IN GENESIS

[DOWNLOAD](#)

William B Eerdmans Publishing Co. Paperback. Book Condition: new. BRAND NEW, For the Love of All Creatures: The Story of Grace in Genesis, William Greenway, This innovative, broad-ranging book by William Greenway unfolds a biblical spirituality centring on love for all creation and all creatures. Greenway rereads the creation and flood narratives in Genesis from an overtly creature-loving perspective that not only inspires care for creation and its creatures but also reveals sophisticated understandings of faith, grace, and evil vital for twenty-first-century spirituality. Comparing the ancient Israelite cosmology of Genesis with the ancient Babylonian cosmology of the Enuma Elish and with the modern Darwinian cosmology of Thomas Hobbes's Leviathan, Greenway shows how Genesis extends far beyond those cosmologies in its discernment of the transcending, gracious love of God. Standing at the intersection of animal rights, "green" biblical studies, and philosophical theology, Greenway's For the Love of All Creatures is a groundbreaking work that will interest and inform a wide range of readers.
