And sure, a relationship can't run on sex alone. However, sex is still important, and anyone who tells you otherwise is a fool. Sex boasts many health benefits, and the act does allow couples to bond. Sex can reduce stress, boost your immunity, and even prevent heart attacks and some forms of cancer. Everyone could use more sex. But if your sex life is struggling, you need some variety in order to get it back to its former glory. And that's why we're here to help. The best way to improve your sex life is to practice many different sex positions, and we've got the top 25 sex positions out there. This book will cover positions for different experience levels. If you're new to this whole sex thing, we'll have novice positions you can try out. If you have some experience under your belt, we have some more difficult positions to choose from. Finally, if you are a sex god, and have the athleticism to match, we'll have positions that suit your limberness. We'll also include sex positions for oral and anal sex, so you can add even more variety to your love life. In this quick and easy-to-read guide, you'll discover all aspects of sex positions. Each position is provided with detail, and will even give you tips as to how you can get the most...
