This third option is using the governments purchasing power aligned with the purchasing power of those in the private sector to ensure that we put our ef-forts behind these innovative and transformational opportunities. We are doing this in four areas: First, the physician self-referral exception and the anti-kickback safe harbor. Our priority here is to take urgent action and to make sure that what we do is clear and narrow, that we are linking the exceptions and the safe harbors to proven technologies that have direct benefit to consumers. Secondly is the actions of the Office of Personnel Management. This week, the Office of Personnel Management published its car-rier letter instructing health plans about what needs to be done to access Federal Employees Health Benefits Programs. This call let-ter included health IT capabilities, and it included...
