The board of visitors is pleased to report on the work accomplished in all departments of the hospital during the past year. Among the valuable additions to the equipment of the hospital during the year was a pulmotor, which was made possible through the liberality of Mr. Joseph Leiter. This instrument is expected to do much toward saving the lives of many persons who by reason of accident might otherwise be beyond the aid of a physician when discovered. The board wishes to record its appreciation of this gift of Mr. Leiter. The wor, k...
