British Library, Historical Print Editions. Paperback. Book Condition: New. This item is printed on demand. Paperback. 180 pages. Dimensions: 9.7in. x 7.4in. x 0.6in. Title: The Western Pilot; containing charts of the Ohio River, and of the Mississippi, from the mouth of the Missouri to the Gulf of Mexico, accompanied with directions for navigating the same, and a gazetteer, etc. Publisher: British Library, Historical Print Editions The British Library is the national library of the United Kingdom. It is one of the world's largest research libraries holding over 150 million items in all known languages and formats: books, journals, newspapers, sound recordings, patents, maps, stamps, prints and much more. Its collections include around 14 million books, along with substantial additional collections of manuscripts and historical items dating back as far as 300 BC. The GEOLOGY collection includes books from the British Library digitised by Microsoft. The works in this collection contain a number of maps, charts, and tables from the 16th to the 19th centuries documenting geological features of the natural world. Also contained are textbooks and early scientific studies that catalogue and chronicle the human stance toward water and land use. Readers will further enjoy early historical maps of rivers and...

Reviews

I actually started off reading this ebook. Indeed, it is play, nonetheless an interesting and amazing literature. Its been designed in an exceptionally basic way and is particularly only following i finished reading this book by which basically modified me, change the way i think.

-- Otha Bogan

The ideal ebook i ever go through. I could comprehend every thing out of this published e publication. I discovered this book from my i and dad suggested this pdf to discover.
