Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, Red Dog, Louis de Bernieres, 'In early 1998 I went to Perth in Western Australia in order to attend the literature festival, and part of the arrangement was that I should go to Karratha to do their first ever literary dinner. Karratha is a mining town a long way further north. The landscape is extraordinary, being composed of vast heaps of dark red earth and rock poking out of the never-ending bush. I imagine that Mars must have a similar feel to it. I went exploring and discovered the bronze statue to Red Dog outside the town of Dampier. I felt straight away that I had to find out more about this splendid dog. A few months later I returned to Western Australia and spent two glorious weeks driving around collecting Red Dog stories and visiting the places that he knew, writing up the text as I went along. I hope my cat never finds out that I have written a story to celebrate the life of a dog.' Louis de Bernieres.
