

Scientific Papers and Addresses, Vol. 1 (Classic Reprint)

Filesize: 8.78 MB

Reviews

The publication is great and fantastic. It is probably the most remarkable book i actually have read through. Its been printed in an exceedingly easy way and it is merely right after i finished reading through this publication where in fact altered me, modify the way i think.

(Tomas Witting)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Scientific Papers and Addresses, Vol. 1 These volumes contain a selection of the most important Essays contributed by the late Professor Rolleston to the Transactions of various learned Societies and to scientific Journals. Along with them are also reprinted several Addresses delivered before the British Association for the Advancement of Science and other learned bodies. These reprints have been arranged in the following sections: I. Anatomy and Physiology, in which are included many important Anthropological memoirs; II. Zoology, including his Memoirs on Archseo-zoology; III. Archaeology; IV. Addresses and Miscellaneous papers. Amongst the unpublished manuscripts left by Dr. Rolleston were notes on various subjects of archaeological interest, which, owing to the failure in health that for some months preceded his much lamented death, he had evidently been unable to prepare for publication. Of these, his notes on the site of some Roman pottery works discovered in 1879 at the Mynchery upon the Sewage Farm near Littlemore, Oxford; also notes on archaeological discoveries made both at Wytham, Berks, and at Yarnton, Oxfordshire, are of much interest. Unfortunately these notes are too fragmentary to be reproduced in the form in which he left them, but I have prepared a digest, which has been printed as an appendix to the second volume. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated...
