Reviews

The publication is great and fantastic. It is probably the most remarkable book i actually have read through. Its been printed in an exceedingly easy way and it is merely right after i finished reading through this publication where in fact altered me, modify the way i think.

Seagull Books London Ltd. Hardback. Book Condition: new. BRAND NEW, Storm Still, Peter Handke, Martin Chalmers, Peter Handke, a giant of Austrian literature, has produced decades of fiction, poetry, and drama informed by some of the most tumultuous events in modern history. But even as these events shaped his work, the death of his mother - a woman whose life spanned the Weimar Republic, both world wars, and the postwar consumer economy-loomed even larger. In Storm Still, Handke's most recent work, he returns to the land of his birth, the Austrian province of Carinthia. There on the Jaunfeld, the plain at the center of Austria's Slovenian settlement, the dead and the living of a family meet and talk. Composed as a series of monologues, Storm Still chronicles both the battle of the Slovene minority against Nazism and their love of the land. Presenting a panorama that extends back to the author's bitter roots in the region, Storm Still blends penetrating prose and poetic drama to explore Handke's personal history, taking up themes from his earlier books and revisiting some of their characters. In this book, the times of conflict and peace, war and prewar, and even the seasons themselves shift and overlap. And the fate of an orchard comes to stand for the fate of a people.
