Appleseed

By Clute, John

New York, New York, U.S.A.: Tor Books, 2003. Soft cover. Book Condition: New. 1st Edition. Book Description No one knows more about science fiction than John Clute. He has proven that over and over as a prize-winning critic upholding the highest literary standards for the genre and as coeditor of (and major contributor to) The Encyclopedia of Fantasy and The Encyclopedia of Science Fiction, both of them winners of the Hugo Award. Now, at last, he proves it in the best way of all with a starburst of a first SF novel. He very definitely practices what he preaches with this unique combination of literary SF and space opera that applies high style to saving galactic civilization. And, yes, Johnny Appleseed makes an appearance. It is the dawn of the fourth millennium, and for trader Nathanael Freer it is business as usual. Tile Dance, his ship, is in the safe hands of KathKirtt, an AI with two minds, and a loyal krewe of cybernetic and android helpers. His latest commission - to deliver a shipment of nanoforges to the planet Eolhxir--is routine enough. All seems okeydokey. But it is not. A virulent data plague is infecting the local spiral arm...

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.
-- Mr. Grant Stanton PhD

A whole new eBook with an all new standpoint. It is actually rally fascinating throgh reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).
-- Claire Bartell
